Catholic School Parents South Australia, in collaboration with Mercedes College presents the second Parent Engagement Event for 2024.

Paul Dillon of Drug and Alcohol Research Training Australia (DARTA)

Teens, parties, alcohol and vapes: What do parents need to know?

Adolescence is a challenging time for all concerned, with many parents feeling as though they are not adequately prepared, particularly in areas such as alcohol and other drugs.

Every family is different and there are a range of different circumstances that will dictate how a parent responds to problems that may arise in this area. Having good quality, accurate information is vital.

This session is presented by Paul Dillon of [DARTA](#) who continues to work with many school communities to ensure they have access to quality information and best practice drug education.

Spaces will be limited to 120 people in person. Livestreaming will be available on the evening, with the recording available for 48 hours for viewing.
