Medication Agreement

for education and care

CONFIDENTIAL

This information is confidential and will be available only to relevant staff and emergency medical personnel. *Medication Agreements that are modified, overwritten or illegible will NOT be accepted.*

The legal guardian or adult student can complete the medication agreement authorising education and care staff to administer medication as instructed. All sections of the 'Authorisation' section must be checked to confirm authorisation to administer in an education or care service by the legal guardian or adult student. *A treating health professional may assist the legal guardian or adult student to complete this form.*

A registered health professional (ie medical consultant, specialist nurse, GP, Dentist) **must** complete the 'Agreement' section for any Controlled Drug (S8) (including morphine, dexamphetamine and codeine), where oxygen or insulin is required to be administered in education or care, or where pain relievers (paracetamol or ibuprofen) are required to be administered regularly or for more than 72 continuous hours, Where midazolam is prescribed this must be documented on an [INM Medication Agreement HSP153](#) form.
